

## St Aidan's FoodShare News

We're delighted that **St Aidan's FoodShare** has been chosen to benefit from the **Co-op Local Community Fund**.

Our FoodShare project is part of the ministry work of St Aidan's Church. We hope you already know that we are working hard to support our local community and those within it, especially those who are on the margins of society and in particular suffering from food poverty and child poverty. Through our work we aim to continue developing closer relationships with existing and new FoodShare clients by; exploring needs, linking them to the support of appropriate agencies to help develop more sustainable lives

### How you can help

Locally, city wide and beyond, we are calling on Co-op members to choose us as their cause when they shop with the Co-op, so that we can deliver our FoodShare project and help more people in Leeds, in particular those living in the economically deprived community areas of LS 7, 8 & 9.

**When members anywhere in the UK buy selected Co-op branded products and services, 1p from every pound spent goes to support local causes like ours. Any Co-op members can select us as their local cause by visiting <https://membership.coop.co.uk/causes/64098>**

**64098 is our cause number on the Coop website if you don't want to use the link.**

Please visit the Co-op website or download the Co-op app and select us as your Local Community Fund cause so we can continue making a difference to so many lives.

## How we will use the funds raised

With the funds raised we will continue to purchase fresh and non-perishable food items (for at least four meals a week), personal hygiene products, and in particular help with the relief of period poverty. We also hope to provide a safe community place to meet, receive support and reduce social isolation.

**Please spread the news far and wide and encourage family and friends throughout the UK to choose us.**
